

THE KILN ROOM 2025

Artizan Collective are seeking potters, ceramicists and those with clay-based proclivities to join them in “The Kiln Room” a brand new exhibition being showcased as part of **Delamore Arts 2025**. This is a selective call.

Delamore Arts is an annual month-long exhibition that has been running successfully for just over 20 years. It attracts artists and visitors from across the UK with a core outdoor sculptural showcase within their stunning grounds, and an exhibition of 2D works in the main house salon style. Delamore regularly sees repeat visitors for whom this event is part of their arts calendar, with an on site café meaning most visitors make a day of the event. Proceeds from the exhibition support a selected designated charity.

Artizan for the month of May, moves to Delamore and support this annual showcase with our own curated programme. The Kiln Room is a new offer that will sit alongside the second year of Contemporary British Printmakers, with the two exhibitions displayed in the courtyard art hub. For our second year collaborating, we'll be expanding with demonstrations, workshops and more to look forward to.

We are offering the opportunity to participate in a fully curated and marketed potters and ceramicists exhibition, curated to be distinct but complimentary to Delamore's wider sculpture offer, with a focus on:

- *Functional and decorative ceramics*
- *Pots and vessels*
- *Sculptural works in relevant media*
- *A small number of supporting wall display works in relevant media*

Due to the diverse nature of this area of practice, it is anticipated that the number of works eligible per submission will be determined on a case-by-case basis in consultation with the applicant, after the expression of interest phase.

- *Exhibition of a collection of work, series, or individual pieces (case by case)*
- *Presence in Delamore Collectors Catalogue*
- *Profile page on Delamore website*
- *Profile page on Artizan website*
- *Feature on exhibition hub page*

Deadline for Expressions of Interest: 30th November 2024
