Rohde Kilns are just brilliant. So well made and insulated. Gas strut assisted lid.

The kiln is in excellent condition both internally and externally. A • a real workhorse.

200 litres volume.

Was originally purchased new in 2017. First owner used it for 46 firings from bisque to stoneware.

Second owner never had it wired in and sold on to me.

Comes with versatile ST315 temperature controller with 9 programs each with 9 segments

A 19amp supply / 13.2kw /CPC 14 /CEE32

Plug and control cable

Single phase

Sold with 7 x 530mm kiln shelves in very good condition (one slightly cracked but usable), also 2

half shelves 503mm. Some glaze on. Also 4 X 550mm shelves (one slightly cracked but usable).

Also kiln props as per picture.
